

About Us

This is where you'd expect us to wax melodic about our ethos, inspiration, rockstar mixologists, or celebrity owners.

Sometimes even celebrity rockstar mixologist owners.

But Seven is not about us. It's about you.

So sit back and relax. Enjoy the view. Let us bring you a drink. More than anything, we hope you enjoy the time we spend together here. And leave at least a little happier than you arrived. Like you just heard an old favorite song. Or met a new friend.

Our Drinks

We love the Classics. Made properly, they're Classic for a reason. We included some of our favorites here, and left the more exotic stuff to our Signature list.

There are lots of words and pages in this little book, but we've tried to present them in ways that are meaningful to you, not us. If you aren't finding what you want, please let us know.

All our prices include value added tax at the prevailing rate. An optional service charge of 12.5% will be added to your bill.

All our food and drinks are prepared where nuts, gluten and other food allergens are present.

Menu descriptions do not include all ingredients. If you have a food allergy or intolerance, please let your server know before ordering. Thank you.

The Journey to St. Ives.....

Once upon a time, as the sun was setting over the azure sea, a traveler made their way to the picturesque town of St. Ives. Along the way to St. Ives, the traveler discovered remarkable drinks in surprising locales. At dawn in a lively marketplace, the refreshing **7B Bellini** started the day. As the day unfurled and he found himself under a sunlit canopy in a vibrant garden, he savored the cosmic **Cosmojito**. As dusk fell and the world bathed in the gentle hues of the setting sun, he found solace in a comforting **Aperol Spritz** at a quiet, beachside café. Finally, under the star-studded cloak of night, in a lively tavern filled with tales and laughter, he relished the enigmatic **Smoky Paloma**. These unique encounters were a taste of the delights that awaited in St. Ives.

Seven Wives.....

In a quaint inn, the traveler met a man with seven wives, each nursing a different drink. The first wife, a botanist, savored a **Gin Basil Smash**, inspired by her beloved herb garden. The second wife, a dancer, sipped a smooth and fruity **Clover Club**, a drink as graceful as her movements. The third wife, with a taste for sweet and tangy, preferred the **Bakewell Sour**. The fourth wife, with a fiery spirit, chose a **Spicy Tommy's Margarita**. The fifth, a night owl, found comfort in her invigorating **Espresso Martini**. The sixth, reminiscing about tropical plantations where she grew up, savored a **Banana Old Fashioned**. Lastly, the seventh wife, a lover of the classics, always preferred the **Rum Old Fashioned**.

Seven Sacks...

Along the road, the traveller stumbled upon seven sacks, each left behind by a wayfarer who had roamed the seven continents. The first sack held a weathered postcard from a far-off land, the origin of the **Singapore Sling**. The second contained a recipe for a **Spiced Rum Punch**, the wayfarer's cure for chilly nights. The third sack held a gentle **Painkiller**, the wayfarer's remedy for aching bones. The fourth was sealed with the insignia of a **Sesame Mai Tai**, the wayfarer's tribute to his Polynesian journey. The fifth bore the mark of the rare **Junglebird**, a cocktail as wild and exotic as the bird itself. The sixth sack, tied with a rugged band, held the recipe for the **Iron Ranger**, a cocktail as robust as the miner's spirit. The last contained an ominous warning about the potency of the **Zombie** cocktail.

The Cats Meow...

The journey was filled with delightful surprises, not the least of which was the encounter with seven mysterious cats, each purring beside a distinctive red bottle. As the moonlight spilled onto the road, each cat, in its own graceful manner, presented the ultimate hangover cure, 'The Seven Bloody Mary'. Their mewls echoed into the night, a harmonious symphony to the rejuvenating power of the tomato-infused concoction. It was a sight to behold and a story to tell, of the seven cats of St. Ives and their shared love for the spirited Bloody Mary..

What About the Kits....

And then, hiding in the shadows, were seven playful kits, their innocent mewls echoing in the dusk. Each one guarded a bottle of non-alcoholic concoction, a reminder that not all delights require a heady spirit.
